RE: Submission of Complaints Against Public Officials in Middlesex County, [NJ

Dear Ms. Milgram:

Two complaints are enclosed in this package. One is against the Hon Bruce Kaplan, Prosecutor for Middlesex County and the other is against Mr. Eric M. Aronowitz, Esq., First Deputy County Counsel.

The two complaints are related in that they are each part of completed litigation surrounding release of specimens taken from my deceased sister, who was alleged to have died suspiciously at the hands of [REDACTED] a former NJ police officer.

My sister Carolyn Ausley and I request to be kept informed as to the progress of your investigation into our complaints and charges of violations of NJ laws by these two public officials.

Respectfully,

*W. H. Strouse*
