

officer what is the definition of being abused. She stated [redacted] wasn't the greatest [redacted] and he was a hard ass typical guinea. She also stated that she wasn't the greatest kid growing up. [redacted] stated that [redacted] really opened up to her mother when she got sick and had nothing further to say. This officer thanked her for calling back and advised her if she had anything to add, to contact this officer or Sgt. Sprague.
