CRIME/INCIDENT: HOSPICE DEATH  
VICTIM/COMPLAINANT: BILL STRAUSS  
LOCATION: 896 UPPER MAIN ST.

NARRATIVE:

OTHER OFFICERS: DET. NOBLE.

On 12-27-05, this officer, along with Det. Noble, met with [REDACTED] in reference to the hospice death of her mother, Joyce Sauter, which occurred on 10-29-05. This interview was a follow up in reference to Mrs. Sauter's passing regarding letters and an email that were sent to this department regarding the hospice death of her mother, Joyce Sauter. This officer had contacted her earlier in reference to anything that had developed since the last time we had spoken and she stated no. I asked her if she would come in and speak to this officer and Det. Noble in reference to her mother's death. She arrived at Headquarters at approximately 1327 hours. During this interview, this officer discussed the email that was sent to the Sayreville Police Department by her aunt, Carolyn Ausley of Florida, and also letters that have been received from her aunt. I asked her if she or her sister, [REDACTED], had been mentally, physically, or sexually abused by [REDACTED] and she stated not at all. She again went over the information regarding the doctors that were tending to her mother during her illness, that being Dr. [REDACTED], Dr. [REDACTED] who is one of her oncologists out [REDACTED], whose office is next to the hospital, [REDACTED] and Dr. [REDACTED] who was involved in the 10 treatments of radiation at [REDACTED] Hospital. This officer asked her if there were any concerns or anything else she could add about the care her mother had received during her illness in the
