

comprised of an external examination and toxicology testing in conjunction with review of the medical records and investigative reports.

Since you have sworn before the court that an autopsy was completed on Joyce B. (Strouse) Sauter, and since you have sworn before the court that an autopsy report exists, please help me have some additional closure here by sending me a copy of that autopsy report, which at the moment, still appears to escape Middlesex County records officials, and Dr. DiCarlo.

If you could put it in the mail within the next 10 days, I would be appreciative. I look forward to hearing from you soonest.

Sincerely,

Carolyn Ausley
